

Friends

This month we invite you to thank God for what He is doing around the world through Reach Out Youth Solutions, and to also intercede regarding specific issues that our leaders around the world are currently facing.

PRAYER • PRAISE

September 2020

PRAY for Christina

This month Christina Oleksyuk, our Country Leader in Ukraine, is launching an online webinar to help encourage, train, and network youth pastors in Ukraine. She has also been invited to help lead a camp for teens in Israel on September 18th.

PRAY for Pasha

70% of the boys in Russia are fatherless or suffer from absentee fathers who are addicted to drugs and/or alcohol. Pasha, our Country Leader in Russia, is scheduled to train youth leaders in Moscow on September 13th. We pray this remains on the calendar and is not cancelled due to COVID.

PRAY for JFYM Online

Ingenium continues to work on our online platform. Barry and Randy are sifting through video and other content to be included, and funds are being raised to sustain this project.

PRAY for Fall Funding

Our Fall Funding campaign kicks off in mid-November. Please pray for us as we develop and implement the strategy. Also, pray that those who receive our appeal clearly see the value in what we do and generously support Reach Out Youth Solutions.

PRAY for Our Friends

For those who mourn and those who are dealing with sickness . . .

The grandmother of Tonya (Pasha's wife), passed away this month. Also, our Africa leader, Obadiah, has asked for prayer regarding his mother. She has suffered a stroke and is paralyzed on her left side.

PRAISE

Last month our Ukraine team had kids signed up for camp, leaders prepared, and a location secured. Just a couple of days before camp was to start, the location cancelled due to Covid-19 concerns. The team prayed, and within 24 hours, our team secured a new location. Thank you God that our team was able to host a camp where teens were encouraged, ministered to, challenged, and SAVED! God is so good!

PRAISE

In Ruiru, Kenya, 12 boys on a basketball team (including one of Muslim faith), became believers this month as a result of sports outreach to the teens in that city. (Interesting fact - that town is the location where the JFYM Online Experience was filmed in Swahili last year!)

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.
