Pray for the participants who will be attending the JFYM Forums on May 20 and June 10.

Pray that Movement DFW continues to grow as church leaders are motivated to collaborate together in an effort to change the current trajectory of the younger generation.

Cuba

Pray for Miguel and Ashley Martiz (son and daughter-in-law of Elio and Leydis Martiz) as they begin their new life together.

Mozambique + Malawi

Pray for our Country Leaders (Iwell and Billy) in these countries, as they coordinate relief efforts post Cyclone Freddy.

DRC

Pray for our Country Leader, Bertin, as he helps in the relief efforts in the refugee tent city that now exists in his hometown of Goma.

Pray for the new church he has started there, and for their ongoing ministry to those who are living in such dire circumstances.

WE INVITE YOU TO PRAY FOR...

Liberia

Pray for the youth leaders and pastors who were trained last month in JFYM. Pray that they are able to begin implementing the principles they heard into their own lives and churches.

Pakistan

Pray for the 18 church leaders who attended our online training last month, as they begin to implement JFYM in their churches.

El Salvador + Nicaragua

Pray for the leaders who are currently being mentored through JFYM Online in these countries. Pray that this training is used to begin a multiplying JFYM movement among the churches in both El Salvador and Nicaragua.

PRAISE

Thank You God!

Thank you for the new life that occurred this month through Jesus-Focused Youth Ministry all over the world.

Thank you for bringing so many leaders to our latest training event in DRC. Our leadership was planning for 40 leaders and 70 showed up, excited to reach the young people of their community with the good news of Jesus Christ.

Thank you for the leaders who have been trained and for how you will use them for your glory.

Thank you for the ways in which you are opening doors into new countries: Pakistan, El Salvador, and Nicaragua.

And, thank you for reminding us this month that praying with passion is the most powerful tool at our disposal...and that life transformation is possible because of your supernatural power at work in our lives.
