

Connection Point:  
JFYM TRAINING RESULTS IN NEW CHURCH

Friends,

MOZAMBIQUE

*Iwell Phiri, Reach Out Country Leader in Mozambique, sent reports and images of beautiful, new life in Mozambique, and we could not wait to share them with you!*

Following a JFYM Forum, a new church with over 210 members took root. The new church led to new belief in Christ. As baptisms took place, a crowd gathered to watch. Iwell seized the opportunity to share the Gospel with the onlookers and to explain the baptisms the crowd witnessed. Concluding his explanation, he invited anyone who wanted to trust Christ to join him in this prayer.

We invite you to peek in on this special moment . . .

**New believers experiencing  
Communion for the first time**

Will you join us in prayer for this community of believers, according to the requests from Iwell . . .

*For their great work to reach and help youth in many villages, schools, communities without churches, and places where people are living in darkness.*

*For Bibles to share with new members and pastors to encourage spiritual growth.*

*For continued, fruitful ministry through Iwell and the leaders he is training.*

Thank you, friends, for your partnership with Reach Out. Your support enables our leaders to equip and change their communities. Thank YOU for your faithfulness!
