YOUTH SOLUTIONS

Reports from Reach Out's Global Ministry astound and encourage us. Our Country Leaders are truly heroes! The price they pay to train others in the face of the incredible hardships is steep and is now compounded by the effects of Covid-19. The length of their reach is long in places like Mozambique. Their extraordinary disciple-making results from applying Jesus-Focused Youth Ministry training. Because of outreach into schools and churches, thousands of young people are following Jesus!

These are but a few of the numerous stories, pictures, and videos we have received telling of their victories and the Lord's faithfulness. Your investment gives our Mozambique team the financial capacity required to carry out this ministry. Thank you for letting God use you in such a significant and wonderful way!

During the first 6 months of this year, in Mozambique, we have seen . . .

Ministry in Mozambique January - June 2020

180	Youth Leaders Trained
60	Eagle Leaders Added
10	New Churches Implementing JFYM
300	Students Saved/Baptized
170	Students Being Discipled
145	Adults Saved/Discipled with JFYM
240	Village Leaders Encouraged (during COVID-19)

Earlier this year, after a JFYM Forum, 90 people were saved, and the next day 82 people were baptized and a church was started in the village. Today, 6 months later, there are 260 baptized members in this brand new church!

In our latest forum, we had 47 leaders from a variety of denominations, many of whom were parents seeking answers as to how to raise their children and the other children in their villages in a Godly way. They were extremely concerned about the reality of "child marriage" in their country. Children as early as 8 years old are often married off to older spouses. Our leaders believe this tradition is wrong and are using the foundation of JFYM to give their culture a new way to think and live in relationship to each other.
