

2021 UPDATE

HONDURAS 

Jeff Holloway  
Country Leader

# And many were disciplined...

In the village of Cenicera, Jeff began discipling Marvin, who was saved just 3 years ago when a friend invited him to church. He came under Jeff's wing when implementing JFYM into the village church.

Every country around the world has been affected by the pandemic throughout 2021, including our Reach Out communities.

Yet, Reach Out's global leaders reported again and again ways that God continued to move through their countries despite the challenges from the ensuing pandemic, newly implemented country regulations and restrictions, and some countries directly facing conflicts of war.

But God showed himself faithful through it all, with new JFYM certifications, thousands of newly trained JFYM youth leaders, opened up new countries, and hundreds of newly saved believers.

Many pictures provided to us revealed God's mercy and greatness throughout our nation and those we serve in other countries around the globe.

Thank you for your continued financial partnership and dedication to help us in preparing these leaders to be more ready than ever in 2022, and bring even more of Generation Alpha to Jesus in this coming year!

And many were trained...

**Worship, Discussion, and Training at JFYM Forums**

In October, one of our established Eagle Leaders, Jeff Holloway, became the Country Leader for Honduras. And within his first week, held the first JFYM Forum, training eight locals from the church in the village of Mongual to become youth leaders!

3 of those who attended each disciplined others, and are meeting weekly to have discussion groups. 4 salvations have resulted, and the group continues growing with all ages - from babies to those in their 80's.

Even in the midst of the pandemic and violence in their nation, our Honduras team persevered with coaching, training, praying, and leadership meetings. Many worshiped, prayed together, and were equipped to reach the younger generation for Christ.

Thank you for being a part of this journey and your contributions to what God is doing in Honduras! Reach Out and our country team are very grateful for your dedication and service in making these things and more happen in this nation!

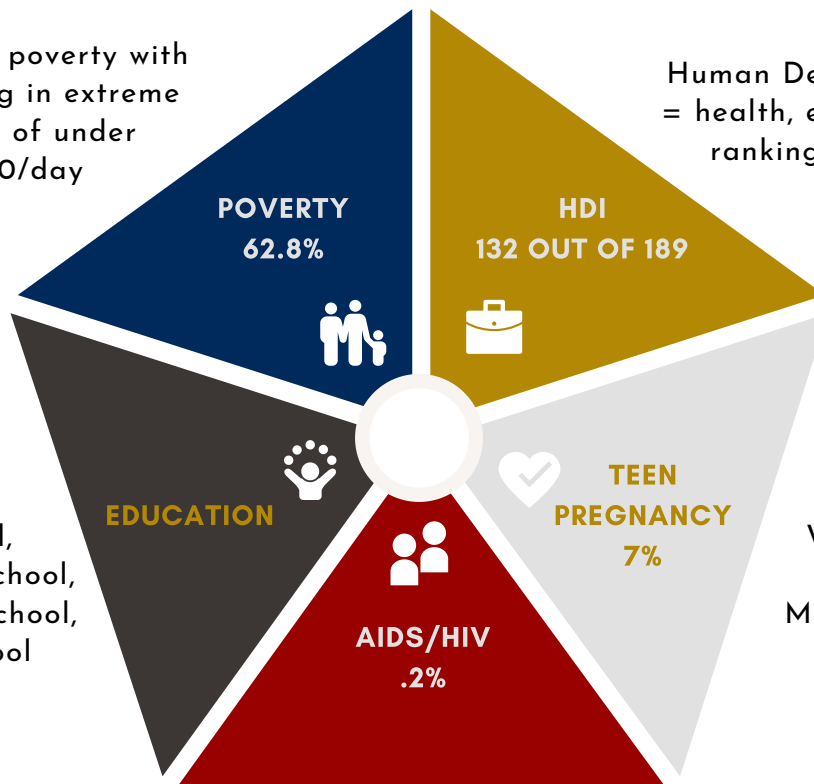

We look forward to providing you more of these stories and photos in 2022!

## Reach Out

- A gift of \$1,000 helps indigenous leaders train 50 youth pastors through an "in-person" forum in their country.
- A gift of \$500 helps provide scholarships to train and mentor 20 youth pastors online.
- A gift of \$200 (\$3.85 per week) helps us equip 1 leader for 1 year, with the goal of that leader moving from being introduced to JFYM to implementing and multiplying JFYM. As a result, that new leader will begin training 3 additional leaders, so that from those 4 new leaders, there are a total of 12 young people discipled and praying for opportunities to influence 36 of their friends to follow Jesus.
- A monthly gift of \$100 helps us continue current ministry to leaders around the world who are trained and resourced through Reach Out.
