

January 2020 Prayers

Matthew 12:21

“And His name will be the hope of all the world.”

Friends

Beginning the new year with PRAISE and ADORATION!

In Isaiah's prophecy, we find the reason why we live, and pray, and give!
It is the reason Reach Out Youth Solutions continues to remain focused on helping leaders around the world evangelize and disciple the next generation. It is because JESUS is the HOPE of the world!
As you begin to intercede before the Father on Reach Out's behalf, would you join with us in praising the ONE who is the hope of the world?

THANKFUL

This month, would you join us as we thank God for the reality that our Fall Funding goals were reached for 2019?

PRAY FOR CUBA

This month, a team of 8 people will be in Cuba working with our leaders from across that island nation. This trip will be a time to not only equip our Cuban team, but also minister to them. Our team will consist of: Randy Riggins, Barry

St. Clair, Randy Godfrey, Nathan Reynerson, Kent Eastman, Rob Mowrey, Andrew Mowrey, and Joe Edwards. As you pray over this trip, continue to pray for Elio Martiz and our Cuban Eagle Leaders. Cuba is facing significant economic challenges at this time and our leaders and their families need your prayers regarding a lack of even the basic necessities that Cubans are struggling to find.

Elio and Leydis Martiz

PRAY FOR AFRICA

This month Reach Out's African leader, Obadiah Ogasi, will lead a Summit in Tanzania that will be attended by our leadership in Tanzania, Burundi, and Zanzibar. Following the summit, each country will be holding forums where new leaders will be trained in Jesus Focused Youth Ministry.

Obadiah and those attending one of the ROYS Summits last fall.

Charles Juma

Please continue to pray for Reach Out's African leader, Charles Juma. We rejoice that God used Him in a mighty way during the month of December when

1,000s heard the Gospel at Christmas events he sponsored, with over 200 praying to receive Christ as Savior. But, Charles continues to be plagued with a variety of illnesses...he is currently recovering from Malaria, Typhoid, and H. Pylori.

PRAY FOR THE JFYM ONLINE EXPERIENCE

We are continuing to move ahead with the details involved in our future launch of the JFYM Online Training. We are continuing toward the goal of raising \$1 million for the online training experience.

Your expressions of prayer for us is an incalculable gift!
We all know that *in Christ Jesus, the Hope of the World*, our prayers will be answered!
Thank you!

Randy & Penny
