**"Adopt A Country" creates a win-win-win!**

*Now to him who is **able to do** immeasurably more than all we ask or imagine...  
 Ephesians 3:20-21*

Greetings!

With Ephesians 3:20-21 as our Prayer Guide in the months ahead, this month let's focus on... **able to do**... Personally, I know how I've tried "can do", "just do it", "I'll do it my way...", but ...**able to do**...that's another matter--a huge God matter. Will you invite God to invade Reach Out's human efforts and transform them into God's maximum outcomes? Your prayers move Reach Out from "unable to do" to **able to do!** Will you pray with us: *I can do all things through Christ who strengthens me (Philippians 4:13)* about several decisions that have long-term impact?

## **Ministry Ableness**

Randy Riggins' Transition. March 1 Randy begins as International President. His fundraising has gone very well, however it is ongoing. *Pray for Randy as he joins me in several ministry endeavors in the spring and takes leadership of the International Ministry--Global Youth Coalition Retreat, Russia trip, video calls, and the opportunities below.*

Jesus-Focused Youth Ministry Online. Randy and I will meet with Todd Slocum, our videographer, to plan the multi-cultural videos and sessions of JFYM Online. *Pray for our ability to know what kinds of videos and what languages we need--how to plan the details for this most massive project.*

Adopt A Country. This brand-new project connects "Country Advocates"--those who sponsor a country--with "Country Leaders/Teams"--those who lead our training in a country--to build a bridge of relationships that leads to a "win-win-win" for advocates, leaders and Reach Out--all to [create indigenous sustainability in each country](#). *Pray that God will grab people's hearts to become "Country Advocates"--giving \$5,000 a year for 5 years, and for our "Country Leaders".*

## **Admin Ableness**

Growing Pains. With the expansion of external growth comes the need for increased internal capacity. *Pray for role changes, a fundraising point person, an admin person for Randy, office space and place, and etc.*

## **Fundraising Ableness**

Increased Giving. With all above we will expand our fundraising efforts to raise the \$1 million needed. In addition to our current fundraising, a new focus is Planned Giving. *Pray that people who have given to Reach Out over the years will include us in their planned giving portfolio.*

**Thanks for your "able to do" prayers!**

Jesus is Lord,

*Dany*
