

February 2018 Prayer Requests

"Immeasurably More" in Varadero, Cuba Last Week

*Now to him who is able to do immeasurably more
than all we ask or imagine...
Ephesians 3:20*

Last month I expressed that in 2018 I believe God wants the phrases of Ephesians 3:20-21 to serve as the basis for our 2018 prayers and goals. In such a beautiful way the phrase *Immeasurably more...* became a reality on our Cuba trip.

"Immeasurably More" in Cuba

January 22-February 1, our USA team of 12 met with 70+ Cuban Eagle Leaders (trainers of trainers) in four locations across the island. To say that it became "an eleven-day adventure" would greatly understate what God did. After overcoming what seemed to be "serious logistical issues"--it's Cuba--we turned lemons into lemonade. Our team and our Cuban leaders were champs! We went far beyond our expectations. Our monthly newsletter will give details

later, though I already have enough personal Cuban stories to write 10 newsletters. Your prayers carried us through. Continue to pray for our most amazing Cuban leaders now that their 2018 plans are in place to further catapult the exponential growth of reaching and discipling teenagers in Cuba.

More "Immeasurably More" Needed

For "Claim Your Campus 2020" in Orlando. 40 youth leaders will meet February 6-7 to plan a 2020 gathering of 100,000 teenagers. My friend, Jeff Eckert, who leads "Claim Your Campus", is leading this dynamic endeavor. Pray that the Lord will bring about another national "Jesus Movement".

For Randy Riggins Support. March 1 Randy will begin working on Reach Out's Staff Team. Pray that in February all 65 donors needed respond to give \$100 a month.

For Reach Out's Board Meeting. Our February 28 meeting takes on new significance with Randy Riggins' arrival. Pray for several important decisions that will influence our future direction.

For Reach Out's Country Leaders. This month I will engage in video calls/meetings with all of our country leaders. Each one guides Reach Out's equipping movement in their country with excellent leadership capacities. Pray for my conversations with Elio Martiz (Cuba), Igor Minenko (Ukraine), Pasha Koriakin (Russia/Siberia), Charles Juma (13 countries in East Africa), and the Global Youth Coalition Team as all of us continue to build momentum in reaching and discipling teenagers globally.

African Relief. The Africa political turmoil has abated. Charles and our Africa leaders can now function more freely. Keep praying for Charles, Kenya and East Africa as they engage the strong forces of darkness in that difficult part of the world.

Thanks for your "immeasurably more" prayers!
