

Reach Out's July 2018 Prayers

Charles Juma had a wonderful opportunity to share the gospel with two orphaned boys and his nephew (red shirt). All three boys asked Jesus to come into their lives.

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us...

to Him be glory...

Ephesians 3:20-21

Greetings!

"Glorious!" Recently I have found myself using that word often. When I became aware of how I was using it, I realized that I connected it to events which God had initiated and inspired--simple things like spending the last four days with my 8 and 5-year old grandsons! "Glorious!" It's just another way of saying...***to Him be glory!***

Will you exclaim "Glorious!" over these happenings at Reach Out that God has already initiated or is currently inspiring?

Bold Venture. July 12-14 Lee Grady will host a [Bold Venture Gathering](#). Having spoken at these gatherings with Lee numerous times before, I know what "glorious" experiences they are--for all. Many of you know that since Lee's sophomore year in high school,

when he participated in my first discipleship group, we have been friends, and then ministry companions for years. *Pray for the Holy Spirit to do His deeper work in each and all of us.*

Adopt A Country. The word has begun to get out about [Adopt A Country](#)--the opportunity to adopt any one of 12 African countries. Click through the links to discover the details. "Glorious!"--Country Advocates have adopted 6 of our 12 countries. *Pray for 6 or more people who will give \$5,000 a year for 5 years in exchange for transforming the younger generation in one country.*

Global Digital Training. In June, several breakthroughs have occurred--steps that move us forward in creating our digital training. For Stage 1 the Plan, Budget and Calendar are approved, and all parties are on board to carry them out. "Glorious!" What JFYM Online still needs: generous givers to step into this project with us. *Pray for the funding and execution for this very significant project.*

Funding Proposals. Raising funds is always "glorious" because it is a faith venture--not \$1 comes to Reach Out unless the Lord prompts a person to give it. A foundation will decide on two of Reach Out's proposals in July for the JFYM Online Project above and for the \$25,000 we still need for Africa in 2018. The ministry is on target to reach all of our goals. *Pray "gloriously" for the foundation and for generous givers to respond positively toward Reach Out.*

Cuba Update. A horrific tragedy God is using for good. On May 18, Cuba suffered its worst airline disaster in over 30 years and 20 Nazarene pastors were among the 100+ people killed. Our East Cuban leaders knew many of them because we are training Nazarene youth leaders. In this difficult time, our team has surrounded them with love and care. All in Cuba know how hard life is, so in times like this they have a strong sense of empathy in the midst of heartbreak. "Glorious!" *Continue to pray for Cuba, and especially the Nazarene church there.*

**Thank you for your "glorious" prayers for Reach Out
...to Him be glory!**

Jesus is Lord,

Barry, Leidy
