

## Reach Out's October 2018 Prayers

Join us to film a video going global...

ON:  
SATURDAY  
NOVEMBER 10  
9 AM - 3 PM

AT:  
ROCKPOINTE  
CHURCH  
FLOWER MOUND  
TEXAS

...and receive practical training  
to reach and disciple students. Join us and...

The poster features a central image of a stage event. A large screen in the background displays the "Jesus-focused youth ministry" logo, which consists of a red circular graphic with the word "Jesus" in white and "focused youth ministry" in smaller text. A man in a dark shirt and light pants stands on the stage, gesturing. The stage is lit with blue and white lights. The event details are listed on either side of the screen. The bottom of the poster has a call to action. The top of the poster is framed by a row of various national flags.

*...to Him be the glory in the church and in Christ Jesus  
throughout all generations... Ephesians 3:21*

Thank you for praying for us! By doing so you give us a powerful gift. Your prayers get answered, not only in the present, but also **throughout all generations**. Astounding! When we pray, God stores our prayers in heaven, and He releases His answers in His time--and then that answer continues **throughout all generations!** Because Reach Out has focused on "the next generation" for over 40 years--at least 4 generations, and because we plan to continue--the next 4 generations, we desperately need your powerful prayers!

## Short Answers

Every day we see God answering your prayers! A few quick ones for encouragement...

**Adopt A Country.** You read about [Adopt A Country](#) in our monthly update. This continues to gain energy and momentum every day, both in the USA and Africa.

**Parent Fuel Website.** After long months of struggles to get this completed, we did! That was a major victory. Now the [Parent Fuel website](#) is "out there" with our Parent Fuel tools and 48 new videos to guide parents.

**Global Youth Coalition Retreat.** This "band of brothers", burdened for the 2.3 billion young people who don't know Jesus, made specific plans to launch a new collaborative two-year training endeavor in India-- 18 million young people!

## Tall Requests

**Filming Jesus-Focused Youth Ministry Online in Dallas.** October 15-19 Randy Riggins, Todd Slocum (videographer) and I will spend a week preparing to film our [JFYM Online Training](#), and November 8-9 we will do the actual filming. *Pray this month for wisdom as we meet to prepare.*

**Kim Bearden's Nepal Trip.** Kim leaves this week to go back to Nepal for a month. He has a number of selected pastors and youth leaders he will train over the next two years to turn their churches into Intentional Disciple-Making leaders and churches. *Pray for Kim and for courage for these leaders to embrace this paradigm shift.*

**Charles Juma .** Charles continues to face Kenyan challenges with his insurance, the healthcare system, and his visa. The journey has been long, and he needs several break thoughts regarding these issues. *Pray for insurance, health and visa breakthroughs for Charles .*

**Fall Funding.** October 1, we begin the process of Reach Out's end of the year fundraising. This multi-faceted process involves all of our team expending significant effort to raise Reach Out's needed year-end funds. It includes several significant foundation proposals. *Pray for our team as we launch the process, and favor with donors and foundations.*

When you pray for us, your prayers reverberate...  
***throughout all generations!***

Jesus is Lord,

*Danny with Randy*
