

## June 2017 Prayer Requests

*When I called to you, you answered me;  
you made me bold and stouthearted.  
Psalm 138:3*

Greetings!

### **We Called...He Answered**

Our reports on Answered Prayers could fill up pages. Your prayers made a difference in May!

Russian Leaders. May 1-3 Pasha Koryakin, our Russia Director, gathered his 14 key leaders to strategize for equipping 1800 churches in Jesus-Focused Youth Ministry. That gathering not only brought these leaders together for the first time, but also the Lord gave them specific direction to equip many more leaders on a deeper level going forward. [More about that in our upcoming Monthly Ministry Update.]

New Leadership. During my week of President interviews the Lord shut the door on one person coming, and He opened the door on the other--to fill the role of International Director. We offered the opportunity and now we await the reply.

Digital Platform. We have had another very positive meeting with our IT Team, and together we took the first steps toward preparing a plan--quite a significant task indeed.

Raising \$1 Million. I met with a fundraising company this week. It was Step 1 in a process to see if they are the right fit to lead our funding endeavor.

All of these answers to your prayers move us forward!

**God, Through Your Prayers, Makes Us Bold and Stouthearted**

We continue to ask you to pray for these mostly behind the scenes initiatives that will provide greater internal strength to our ministry, and *make us bold and stouthearted* in the years ahead.

Reach Out's New Leadership. Will you ask the Lord to confirm the decision of our potential International President to come to Reach Out, and our Board's next steps to find "God's right person" to give overall leadership?

Digital Platform for JFYM Training. Will you pray for the specific plan and budget to come together for this massive project?

Raising \$1 Million. Will you pray for the point person who will help us raise the funds we will need?

You calling on God on our behalf really does make us *bold and stouthearted*! Thank you!

Jesus is Lord,

*Benny*
