

Watch Our Big Announcement and Give Year-End

2.3 billion young people globally do not know Jesus!

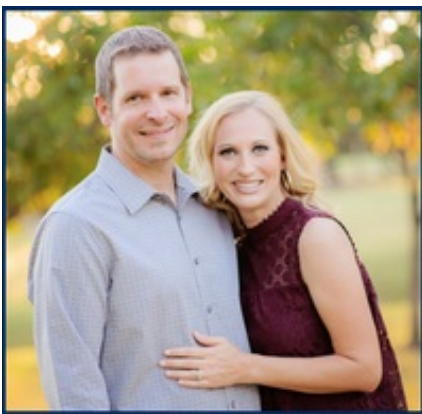

In spite of this heart-rending reality, Reach Out's global team wholeheartedly affirms that *all over the world the gospel is bearing fruit and growing* (Colossians 1:6). In 2017 we have seen over 39,000 teenagers in Africa and 5,600 teenagers in Cuba decide to become disciples of Jesus. We continue to watch the Lord do this in 30 countries—from Russia and Ukraine to Cuba, from Nepal to 13 countries in Africa and beyond.

However, we aspire to do so much more. And as our next significant step forward...

We announce Reach Out's new International President—Randy Riggins.

With immense joy and confidence, Reach Out's Board welcomes [Randy Riggins](#) as Reach Out's International President to lead our global team.

Randy and Holly

Randy has played a special role with Reach Out. Sixteen years ago he and I became friends. As a student, family, and missions pastor, he has implemented Jesus-Focused Youth Ministry in several churches, led 60+ mission trips, and together we have traveled the world.

Randy's love for Jesus, superior character, exceptional leadership and people development skills make him God's best person for this role.

Randy will guide our current and

future country leaders/country teams to multiply Jesus-Focused Youth Ministry.

He and his wife, Holly, have five children and live in Flower Mound, TX.
