

Reach Out's July and August 2019 Prayers  
Pray for Reach Out's Spiritual Leader in Africa, Charles Juma

Greetings!

*Praise the Lord, O my soul and forget not all his benefits-  
...who heals all your diseases.  
Psalm 103:2-3*

**See that man on the far right in the picture? That's Charles Juma--our African leader for more than 15 years.**

In eight days we will go to Kenya. On this vitally important trip, our 13 country leaders and 13 more Kenyan leaders will gather for a Leader's Summit. And we will film over 30 videos of our JFYM Online training in Swahili. It's a very important trip!

Recently, Charles suffered a 'mild' heart attack and is currently still in the hospital. Because Charles has consistently poured his life into other leaders we are able to forge ahead, trusting Jesus to give us exactly what we need on this journey and for the future. Our hearts are with Charles, and we ask YOU to pray for him as well. His health is precarious and good medical care is scarce.

**Our prayer focus is on Charles.  
Will you pray Psalm 103: 2-3 with us for him?  
And will you pray for our Africa trip as well?  
Thank you!**

Jesus is Lord,

*Barry & Randy*
